Use this document when marking or giving feedback. 'Excellent' is the bar for top marks; 'Minimum' is pass-level; teams below minimum on core deliverables should receive targeted buddy support.

Summary table

Deliverable	WS	Due	Format	Minimum acceptable	Excellent
Project Charter	All	Wed 29 Jul	PDF + Excel RACI	Charter confirmed; RACI has one accountable owner; Estate->Demand->Plan->R/FM rule stated.	Missing confirmations; vague scope; no named WF-A/WF-B leads.
A1 - Problem statement and issue tree	A	Wed 5 Aug	PDF	Hypotheses map to Analysis Requests; branches emerge from evidence; statement sharpens the engagement letter.	Copies engagement-letter wording; generic or pre-labelled tree; no implied asks.
A1b - Stakeholder map	A	Thu 6 Aug	PDF	Stars match interview priority (VPBank, field staff, beneficiaries, board faction, employers).	Generic list; no sources; treats D-08 as verified fact.
Credibility matrix	All	Thu 6 Aug	PDF	Ratings differ by source type; justifications cite audience/incentive/definitions; contradictions noted.	All sources rated 'high' with no justification; copied from a facilitator hint.
Data Estate Brief	B	Mon Week 3	PDF	A can aim Demand without seeing raw data; limits are honest; catalog not a spoiler of findings.	Raw file shared; schema dump that lets A prescribe joins; empty or late brief.
Demand Brief	A	Mon-Tue Week 3	PDF	Top demands map to R-01+; each would change the recommendation if answered.	Vague 'send us the data'; field names invented; filed before reading Estate Brief.
Analysis Plans	B	From Week 3	PDF	Plan answers A's decision question; A acknowledges without co-editing pivots.	No plan; plan is a field list for A to run; interim raw extracts shared.
Analysis Requests (min. 3)	A	Weeks 3-5	PDF	Asks are specific enough for B to answer; emerge from Demand + transcripts/hypotheses.	Fewer than three; vague 'send us the data'; field names invented from nowhere; no Demand/Plan trail.

B1 - Data quality report	B	Tue 11 Aug	PDF	Duplicates (via last_updated), coding, typo wage, DN double-entry, inactive mentor, text funding row addressed.	Silent cleaning; raw file shared with A; claims 100% clean data.
Findings Memos (min. 3)	B	Weeks 3-5	PDF	Restates question; translates honestly; states placement definition and capacity caveats.	Pivot dump; no caveats; raw workbook attached.
A2 - Interview synthesis	A	Wed 12 Aug	PDF	Themes: transport, employer quality, metric integrity, scale vs quality.	Quote dump by person; no contradictions; no citations.
A3 - Empathy and journey maps	A	Wed 12 Aug	PDF	Internship stage shows transport cost and employer exploitation; links to ST-05 and EP-02.	Generic persona; no quotes; outside-in design with no lived detail.
B2 - Performance dashboard	B	Fri 14 Aug	Excel	DN and Long An flagged; formal vs broad rate shown or footnoted.	Shared raw with A; DN hidden; single blended rate with no definition.
B3 - Analysis summary	B	Wed 19 Aug	PDF	Attendance correlates with placement but transport/motivation confound.	Claims attendance causes placement; ignores confounders.
A4 - Strategic options	A	Thu 20 Aug	PDF	Options differ on scale timing; change-my-mind trigger stated.	Three variants of 'scale more'; numbers without Request IDs.
B4 - Evidence-check memo	B	Fri 21 Aug	PDF	Flags if aggressive growth cannot hold 65% without selection pressure.	Rubber-stamps A without challenge.
A5 - Trade-off reflection	A	Wed 26 Aug	PDF	Team names the operational cost of the ethical choice, or the moral cost of the efficient choice.	Empty platitudes; no named cost; checklist of invented ED codes.
A6 - Validation protocol	All	Wed 26 Aug	PDF	Dong Nai recommendation cites ST-05, BN-02, EP-02 and FM findings.	Validation after the fact; fewer than six citations.
B5 - Funding scenarios	B	Thu 27 Aug	Excel	Aggressive scenario shows staffing/mentor gap and 65% at risk; ties choice to mission + Board ambition.	Assumes 65% holds automatically; ignores staff/mentor/finance capacity.
A7 - Revision log	All	Thu 27 Aug	PDF	Example: dropped Long An expansion after FM on DN placement.	Empty log or cosmetic edits only.
Executive summary	All	Fri 28 Aug	PDF	Board-ready; cites strongest evidence including Request IDs.	Buries recommendation; no limitations.
Final report	All	Fri 11 Sep	PDF	Integrates A narrative and B findings; trade-offs and risks included.	A and B contradict; unsourced numbers; raw data pasted.

Board presentation	All	Thu 10 Sep	PowerPoint	Opens with decision needed; ends with specific Board asks.	Data dump; no clear ask; A cites 'the dataset' without FM IDs.
Handoff checklist	All	Wed 2 Sep	PDF	All three sections confirmed; Drive links to A_B_Exchange/ and Handoff PDF present; genuine exchange (not a last-minute dump).	Missing PDF; wet-signature / print culture; unchecked boxes; fewer than three R/FM pairs; raw file shared with A.
Peer evaluation	Individual	Mon 14 Sep	PDF	Honest differentiation; comments specific to contribution.	Identical scores for everyone; blank comments; late or missing.
Reflection journal	Individual	Tue 15 Sep	PDF	Names a concrete skill and a cost of the team's recommendation.	Generic essay; no link to the case evidence or teamwork.

Detailed requirements by deliverable

Project Charter (All, due Wed 29 Jul)

Requirement: Team names, roles, scope, A↔B evidence loop agreed, online confirm by deadline.
Excellent: Charter confirmed; RACI has one accountable owner; Estate->Demand->Plan->R/FM rule stated.

Mark down if: Missing confirmations; vague scope; no named WF-A/WF-B leads.

A1 - Problem statement and issue tree (A, due Wed 5 Aug)

Requirement: One precise decision sentence in the team's own words; MECE branches they invent; 4+ hypotheses that imply asks for B.

Excellent: Hypotheses map to Analysis Requests; branches emerge from evidence; statement sharpens the engagement letter.

Mark down if: Copies engagement-letter wording; generic or pre-labelled tree; no implied asks.

A1b - Stakeholder map (A, due Thu 6 Aug)

Requirement: Power/interest grid; five starred stakeholders with cited sources.

Excellent: Stars match interview priority (VPBank, field staff, beneficiaries, board faction, employers).

Mark down if: Generic list; no sources; treats D-08 as verified fact.

Credibility matrix (All, due Thu 6 Aug)

Requirement: Every shared client document (D-01, D-02, D-03, D-08, D-10, D-11, D-12) rated H/M/L with justification; Findings Memos rated once received.

Excellent: Ratings differ by source type; justifications cite audience/incentive/definitions; contradictions noted.

Mark down if: All sources rated 'high' with no justification; copied from a facilitator hint.

Data Estate Brief (B, due Mon Week 3)

Requirement: Catalog of tables, grain, coverage and limits in plain language. No workbook, dictionary or field dump.

Excellent: A can aim Demand without seeing raw data; limits are honest; catalog not a spoiler of findings.

Mark down if: Raw file shared; schema dump that lets A prescribe joins; empty or late brief.

Demand Brief (A, due Mon-Tue Week 3)

Requirement: Ranked decision needs from A1 hypotheses after reading DEB; useful answer shapes; not column shopping.

Excellent: Top demands map to R-01+; each would change the recommendation if answered.

Mark down if: Vague 'send us the data'; field names invented; filed before reading Estate Brief.

Analysis Plans (B, due From Week 3)

Requirement: B-owned approach for each priority Demand / R-xx: method, definitions, risks, ETA.

Excellent: Plan answers A's decision question; A acknowledges without co-editing pivots.

Mark down if: No plan; plan is a field list for A to run; interim raw extracts shared.

Analysis Requests (min. 3) (A, due Weeks 3-5)

Requirement: Each request states decision, hypothesis, useful answer shape, urgency; linked to Demand/Plan; logged on Request Log.

Excellent: Asks are specific enough for B to answer; emerge from Demand + transcripts/hypotheses.

Mark down if: Fewer than three; vague 'send us the data'; field names invented from nowhere; no Demand/Plan trail.

B1 - Data quality report (B, due Tue 11 Aug)

Requirement: DC-01 to DC-14 found or consciously checked; cleaning logged; A gets only material issues via FM.

Excellent: Duplicates (via last_updated), coding, typo wage, DN double-entry, inactive mentor, text funding row addressed.

Mark down if: Silent cleaning; raw file shared with A; claims 100% clean data.

Findings Memos (min. 3) (B, due Weeks 3-5)

Requirement: Plain-language answers to R-xx; definitions and caveats; curated charts only.

Excellent: Restates question; translates honestly; states placement definition and capacity caveats.

Mark down if: Pivot dump; no caveats; raw workbook attached.

A2 - Interview synthesis (A, due Wed 12 Aug)

Requirement: Thematic summary with transcript refs; contradictions flagged; questions for B listed.

Excellent: Themes: transport, employer quality, metric integrity, scale vs quality.

Mark down if: Quote dump by person; no contradictions; no citations.

A3 - Empathy and journey maps (A, due Wed 12 Aug)

Requirement: One archetype grounded in BN-xx; pain points with quotes or FM cites.

Excellent: Internship stage shows transport cost and employer exploitation; links to ST-05 and EP-02.

Mark down if: Generic persona; no quotes; outside-in design with no lived detail.

B2 - Performance dashboard (B, due Fri 14 Aug)

Requirement: Placement by hub/programme/gender; flag below 65%; insight-titled charts; B working file only.

Excellent: DN and Long An flagged; formal vs broad rate shown or footnoted.

Mark down if: Shared raw with A; DN hidden; single blended rate with no definition.

B3 - Analysis summary (B, due Wed 19 Aug)

Requirement: Headline findings linked to Request/FM IDs; confounders named.

Excellent: Attendance correlates with placement but transport/motivation confound.

Mark down if: Claims attendance causes placement; ignores confounders.

A4 - Strategic options (A, due Thu 20 Aug)

Requirement: 2-3 distinct options; every number cites R-/FM-; winners/losers named.

Excellent: Options differ on scale timing; change-my-mind trigger stated.

Mark down if: Three variants of 'scale more'; numbers without Request IDs.

B4 - Evidence-check memo (B, due Fri 21 Aug)

Requirement: Each A option tested against Findings and D-12/D-03 feasibility.

Excellent: Flags if aggressive growth cannot hold 65% without selection pressure.

Mark down if: Rubber-stamps A without challenge.

A5 - Trade-off reflection (A, due Wed 26 Aug)

Requirement: Open prompts answered; who gains/loses; cost of preferred path named.

Excellent: Team names the operational cost of the ethical choice, or the moral cost of the efficient choice.

Mark down if: Empty platitudes; no named cost; checklist of invented ED codes.

A6 - Validation protocol (All, due Wed 26 Aug)

Requirement: 6+ citations including BN/ST/DN/EP and at least two R-/FM-.

Excellent: Dong Nai recommendation cites ST-05, BN-02, EP-02 and FM findings.

Mark down if: Validation after the fact; fewer than six citations.

B5 - Funding scenarios (B, due Thu 27 Aug)

Requirement: Hold / +30% / +80% using D-12, D-03 and hub_capacity_jan2026.

Excellent: Aggressive scenario shows staffing/mentor gap and 65% at risk; ties choice to mission + Board ambition.

Mark down if: Assumes 65% holds automatically; ignores staff/mentor/finance capacity.

A7 - Revision log (All, due Thu 27 Aug)

Requirement: At least one substantive change after a B challenge or Findings Memo.

Excellent: Example: dropped Long An expansion after FM on DN placement.

Mark down if: Empty log or cosmetic edits only.

Executive summary (All, due Fri 28 Aug)

Requirement: One-sentence key message; recommendation; 90-day roadmap; honest limitations.

Excellent: Board-ready; cites strongest evidence including Request IDs.

Mark down if: Buries recommendation; no limitations.

Final report (All, due Fri 11 Sep)

Requirement: 15-25 pages; A↔B evidence loop described; every claim sourced.

Excellent: Integrates A narrative and B findings; trade-offs and risks included.

Mark down if: A and B contradict; unsourced numbers; raw data pasted.

Board presentation (All, due Thu 10 Sep)

Requirement: Answer-first titles; Dong Nai and formal rate not hidden; cost of path named.

Excellent: Opens with decision needed; ends with specific Board asks.

Mark down if: Data dump; no clear ask; A cites 'the dataset' without FM IDs.

Handoff checklist (All, due Wed 2 Sep)

Requirement: Copy 4_Shared_Toolkit/Templates/Cross_Workflow_Handoff_Checklist.docx to team Drive. Section A (A reviews B), Section B (B reviews A), Section C (Engagement Lead). Online ticks only: [x] + typed name + YYYY-MM-DD + channel. Export Team_All_Handoff_vN.pdf; Request Log shows min. three completed R/FM pairs. See Guideline Section 8.

Excellent: All three sections confirmed; Drive links to A_B_Exchange/ and Handoff PDF present; genuine exchange (not a last-minute dump).

Mark down if: Missing PDF; wet-signature / print culture; unchecked boxes; fewer than three R/FM pairs; raw file shared with A.

Peer evaluation (Individual, due Mon 14 Sep)

Requirement: Confidential peer ratings for each teammate; submitted individually via portal.

Excellent: Honest differentiation; comments specific to contribution.

Mark down if: Identical scores for everyone; blank comments; late or missing.

Reflection journal (Individual, due Tue 15 Sep)

Requirement: Personal learning reflection on the engagement and cross-workflow practice.

Excellent: Names a concrete skill and a cost of the team's recommendation.

Mark down if: Generic essay; no link to the case evidence or teamwork.

Board presentation - non-negotiables

- States placement definition used and shows formal vs broad if both discussed.
- Names Dong Nai underperformance or explains why recommendation still scales there.
- Engages at least one ethical trade-off with a clear position.
- Ends with specific decisions requested from the Board.
