

Financial Statements 2023-2025

Audited summary prepared by Finance

Client	Generation Bridge Foundation
Document reference	D-12
Classification	Client document D-12 (audited)
Version	3.1 July-September 2026

Statement of income by source

All figures in VND billion.

Source	2023	2024	2025
Corporate foundations and CSR (incl. VPBank)	6.9	7.2	7.6
International NGOs and bilateral	5.4	5.1	5.1
Individual philanthropy	1.9	2.1	2.2
Government co-funding	1.3	1.5	2.0
Social enterprise surplus	1.3	1.7	1.3
Total income	16.8	17.6	18.2

Of 2025 income, 78 per cent was restricted to specific programmes or provinces and 22 per cent was flexible core funding. The VPBank Foundation was the single largest funder at approximately 14 per cent of total income.

Unit costs

Programme	Cost per completer (VND)
Skills Forward (incl. staff time and internship support)	12,800,000
Pathway Digital	6,200,000

Note on the social enterprise

GBF Staffing Solutions, established in 2019, places graduates into logistics and hospitality roles and earns a placement fee from employers. Its surplus cross-subsidises about 7 per cent of the budget. The auditors note the potential conflict of interest where the same organisation both advises young people and earns fees from placing them.
