Summary table

Deliverable	WS	Due	Format	Minimum acceptable	Excellent
Project Charter	All	Tue 14 Jul	PDF + Excel RACI	Charter signed; RACI has one accountable owner per deliverable; cross-audit process agreed.	Missing signatures; vague scope; no named WS-A/WS-B leads.
A1 - Problem statement and issue tree	A	Wed 15 Jul	PDF	Board question reframed clearly; hypotheses map to data room; no overlap between branches.	Restates handbook verbatim; generic tree; no hypotheses.
A1b - Stakeholder map	A	Thu 16 Jul	PDF	Stars match interview priority (VPBank, field staff, beneficiaries, board faction, employers).	Generic list; no sources; ignores D-08 as low-trust source.
Credibility matrix	All	Thu 16 Jul	PDF	D-02 and D-12 rated high; D-08 rated low; contradictions noted.	All sources rated 'high'; no justification.
B1 - Data quality report	B	Tue 21 Jul	PDF	Duplicates, coding, typo wage, DN double-entry, text funding row all addressed.	Silent cleaning; outliers deleted without note; claims 100% clean data.
A2 - Interview synthesis	A	Wed 22 Jul	PDF	Themes: transport, employer quality, metric integrity, scale vs quality; cites ST/BN/DN/EP codes.	Quote dump by person; no contradictions; no citations.
A3 - Empathy and journey maps	A	Wed 22 Jul	PDF	Internship stage shows transport cost and employer exploitation; links to ST-05 and EP-02.	Generic persona; no quotes; no data link.
B2 - Performance dashboard	B	Fri 24 Jul	Excel	DN and Long An flagged red; disability gap visible; formal vs broad rate shown or footnoted.	Chart titled 'Dashboard'; DN hidden; single blended rate with no definition.
B3 - Analysis summary	B	Wed 29 Jul	PDF	Attendance correlates with placement but transport/motivation confound; mentor hours weak association.	Claims attendance causes placement; ignores confounders.

A4 - Strategic options	A	Thu 30 Jul	PDF	Options differ on scale timing (pause vs conditional scale vs employer pivot vs digital hybrid).	Three variants of 'scale more'; no financial check; no ethics.
B4 - Evidence-check memo	B	Fri 31 Jul	PDF	Flags if aggressive growth cannot hold 65% without cherry-picking (ED-01).	Rubber-stamps WS-A without data challenge.
A5 - Ethical analysis	A	Wed 5 Aug	PDF	Engages metric integrity and easiest-to-place tension with numbers.	Generic ethics platitudes; fewer than three dilemmas.
A6 - Validation protocol	All	Wed 5 Aug	PDF	Recommendation on Dong Nai cites ST-05, BN-02, EP-02 and dashboard DN rate.	Validation after the fact; fewer than six citations.
B5 - Funding scenarios	B	Thu 6 Aug	Excel	Aggressive scenario shows staffing gap and 65% at risk; hold scenario may forfeit scale target.	Scenarios ignore unit costs; assumes 65% holds automatically.
A7 - Revision log	All	Thu 6 Aug	PDF	Example: dropped Long An expansion after BN-02 and DN dashboard review.	Empty log or cosmetic edits only.
Executive summary	All	Fri 7 Aug	PDF	Board-ready; cites strongest evidence; states what is still unknown.	Buries recommendation; no limitations.
Final report	All	Fri 14 Aug	PDF	Integrates WS-A narrative and WS-B evidence; ethics and risks included.	WS-A and WS-B contradict; unsourced claims.
Board presentation	All	Thu 13 Aug	PowerPoint	Opens with decision needed; one chart per insight; ends with specific Board asks.	Data dump; decorative slides; no clear ask.

Detailed requirements by deliverable

Project Charter (All, due Tue 14 Jul)

Requirement: Team names, roles, scope, ways of working, all signatures by deadline.

Excellent: Charter signed; RACI has one accountable owner per deliverable; cross-audit process agreed.

Mark down if: Missing signatures; vague scope; no named WS-A/WS-B leads.

A1 - Problem statement and issue tree (A, due Wed 15 Jul)

Requirement: One precise problem sentence; MECE branches (programmes, geography, funding, operations, measurement); 4+ testable hypotheses with stated evidence sources.

Excellent: Board question reframed clearly; hypotheses map to data room; no overlap between branches.

Mark down if: Restates handbook verbatim; generic tree; no hypotheses.

A1b - Stakeholder map (A, due Thu 16 Jul)

Requirement: Power/Interest grid; five starred stakeholders with cited sources.

Excellent: Stars match interview priority (VPBank, field staff, beneficiaries, board faction, employers).

Mark down if: Generic list; no sources; ignores D-08 as low-trust source.

Credibility matrix (All, due Thu 16 Jul)

Requirement: Every D-01 to D-12 source rated H/M/L with one-sentence justification.

Excellent: D-02 and D-12 rated high; D-08 rated low; contradictions noted.

Mark down if: All sources rated 'high'; no justification.

B1 - Data quality report (B, due Tue 21 Jul)

Requirement: All DC-01 to DC-13 issues found or consciously checked; cleaning decisions logged.

Excellent: Duplicates, coding, typo wage, DN double-entry, text funding row all addressed.

Mark down if: Silent cleaning; outliers deleted without note; claims 100% clean data.

A2 - Interview synthesis (A, due Wed 22 Jul)

Requirement: Thematic summary with transcript refs; contradictions flagged (YouthWorks, placement definition).

Excellent: Themes: transport, employer quality, metric integrity, scale vs quality; cites ST/BN/DN/EP codes.

Mark down if: Quote dump by person; no contradictions; no citations.

A3 - Empathy and journey maps (A, due Wed 22 Jul)

Requirement: One archetype (e.g. Dong Nai withdrawer); quotes from BN-02/Tuan; pain points quantified where possible.

Excellent: Internship stage shows transport cost and employer exploitation; links to ST-05 and EP-02.

Mark down if: Generic persona; no quotes; no data link.

B2 - Performance dashboard (B, due Fri 24 Jul)

Requirement: Placement by hub/programme/gender; conditional formatting below 65%; three insight-titled charts.

Excellent: DN and Long An flagged red; disability gap visible; formal vs broad rate shown or footnoted.

Mark down if: Chart titled 'Dashboard'; DN hidden; single blended rate with no definition.

B3 - Analysis summary (B, due Wed 29 Jul)

Requirement: Headline findings with evidence and caveats; DB-3 confounders named; DB-4 no causation claim.

Excellent: Attendance correlates with placement but transport/motivation confound; mentor hours weak association.

Mark down if: Claims attendance causes placement; ignores confounders.

A4 - Strategic options (A, due Thu 30 Jul)

Requirement: 2-3 genuinely distinct options with cost, risks, winners/losers; one recommendation + change-my-mind trigger.

Excellent: Options differ on scale timing (pause vs conditional scale vs employer pivot vs digital hybrid).

Mark down if: Three variants of 'scale more'; no financial check; no ethics.

B4 - Evidence-check memo (B, due Fri 31 Jul)

Requirement: Each WS-A option tested against cleaned data and D-12/D-03 feasibility.

Excellent: Flags if aggressive growth cannot hold 65% without cherry-picking (ED-01).

Mark down if: Rubber-stamps WS-A without data challenge.

A5 - Ethical analysis (A, due Wed 5 Aug)

Requirement: Minimum three of ED-01 to ED-06 with tension, stakeholders, position, residual risk.

Excellent: Engages metric integrity and easiest-to-place tension with numbers.

Mark down if: Generic ethics platitudes; fewer than three dilemmas.

A6 - Validation protocol (All, due Wed 5 Aug)

Requirement: 6+ citations: 2+ BN, 2+ ST, 1 DN, 1 EP; maps recommendations to support/challenge.

Excellent: Recommendation on Dong Nai cites ST-05, BN-02, EP-02 and dashboard DN rate.

Mark down if: Validation after the fact; fewer than six citations.

B5 - Funding scenarios (B, due Thu 6 Aug)

Requirement: Hold / +30% / +80% growth using D-12 unit costs and D-03 VPBank terms.

Excellent: Aggressive scenario shows staffing gap and 65% at risk; hold scenario may forfeit scale target.

Mark down if: Scenarios ignore unit costs; assumes 65% holds automatically.

A7 - Revision log (All, due Thu 6 Aug)

Requirement: At least one substantive change after validation documented.

Excellent: Example: dropped Long An expansion after BN-02 and DN dashboard review.

Mark down if: Empty log or cosmetic edits only.

Executive summary (All, due Fri 7 Aug)

Requirement: One-sentence key message; recommendation; 90-day roadmap; honest limitations.

Excellent: Board-ready; cites strongest evidence; states what is still unknown.

Mark down if: Buries recommendation; no limitations.

Final report (All, due Fri 14 Aug)

Requirement: 15-25 pages; all sections; every claim sourced; placement definition stated.

Excellent: Integrates WS-A narrative and WS-B evidence; ethics and risks included.

Mark down if: WS-A and WS-B contradict; unsourced claims.

Board presentation (All, due Thu 13 Aug)

Requirement: Answer-first slide titles; recommendation upfront; Dong Nai and formal rate not hidden.

Excellent: Opens with decision needed; one chart per insight; ends with specific Board asks.

Mark down if: Data dump; decorative slides; no clear ask.

Board presentation - non-negotiables

- States placement definition used and shows formal vs broad if both discussed.
- Names Dong Nai underperformance or explains why recommendation still scales there.
- Engages at least one ethical trade-off with a clear position.
- Ends with specific decisions requested from the Board.
