

Workflow A - Start Here

Impact Strategy: what is in this folder and what you must deliver

Client	Generation Bridge Foundation
Document reference	MOM-2026-WSA-00
Issued	Sunday 26 July 2026
Classification	Workflow A
Version	3.1 July-September 2026

You are on Workflow A (Impact Strategy). Read this page first, then the engagement brief and design-thinking playbook. You set direction and frame the questions. You do not have access to the operational datasets. Do not ask facilitators for the file. Route every quantitative need through an Analysis Request to Workflow B.

Files in this folder

File	Purpose
WSA_Engagement_Brief.pdf	Your mandate, deliverables and constraints
WSA_Design_Thinking_Playbook.pdf	Run sheets for workshops and activities
Templates/	Word files to complete and export to PDF before submission

Analysis Request and Findings Memo templates live in 4_Shared_Toolkit/Templates/. Log every request on the Request Log tab of GBF_Consulting_Toolkit.xlsx. Save every R-xx and FM-xx PDF in your team Drive folder A_B_Exchange/ - that folder is what markers assess for cross-workflow exchange.
